## PROFILE

Motivated and detail-oriented Full Stack Developer with a solid background in both front-end and back-end development. I specialize in building scalable web applications using React.js on the front end and PHP/Laravel on the back end. I have hands-on experience in developing, testing, and deploying dynamic solutions with a strong focus on performance, user experience, and clean code. I'm passionate about continuous learning and delivering high-quality software.

## WORK EXPERIENCE

**Freelancer** PRESENT  
Full stack web developer

- Developed and deployed custom web applications using React.js, PHP, and Laravel. Delivered responsive, user-friendly interfaces and integrated robust back-end solutions tailored to client needs.

**Freelancer** 2018 - 2025  
Arabic language teacher

- Taught Arabic to preparatory students, focusing on grammar, writing, and literature. Prepared lessons, assessed student performance, and supported academic development throughout the school year.

## EDUCATION
